It is that time of year again! The Maryville Downtown Association announces the annual "Maryville Uncorked" Wine & Silent Auction event. The much-anticipated event includes trademark samples of wine in a signature commemorative glass, live music, a broad sampling of heavy hors-d'oeuvres from local restaurants, a unique assortment of wines (provided by Green Meadow Liquor, Wine & Beer Experts), and the introduction of select wines from the local wineries.

Maryville Uncorked is Maryville Downtown Association's ONLY fundraising event for the year which only feeds into making our downtown a more happening place. Downtown Maryville has been working closely with the City of Maryville, local business owners and interested citizens in Maryville. The Association has been proud to promote and preserve historic downtown Maryville for the benefit of all who live in Blount County as well as visitors to our community. Monthly networking Membership Luncheons are held, featuring compelling speakers encouraging business growth and development.

The Maryville Uncorked event and the Silent Auction is only possible thanks to the local businesses and local community members from around the area. Maryville Downtown Association would like to ask for your support with our upcoming silent auction.

New This year: We will be hosting our Silent Auction bidding through a Silent Auction Bidding Site: Where we have another location to promote our event sponsors, highlight your business as a donor, have instant notifications keeping our participants engaged in the items they're interested in. We will also have the opportunity to entice our participants through images of the donation or experience donated!
